

July 5, 2023

Dear Parents,

Thank you so much for allowing us to care for your child (ren). We are very grateful to have you be a part of our St. Mary Villa family! 2023 has been a crazy, fun year so far and we are very thankful for our SMV community and families! As we get ready for the next school year and classroom transitions, we wanted you to be aware of the tuition for the 2023/2024 school year. These rates will go into effect August 1, 2023.

Please note that we have added another tuition bracket. If your family's annual household income falls below \$150,000 and you would like to take advantage of the lower tuition rate, please reach out to me so we can discuss documentation needed.

If you currently receive tuition assistance through the state of Tennessee, your tuition is determined by the state on your certificate. If you do not currently receive assistance through the state and would like apply please go to tn.gov.

Monthly- Due the first day of the month

<u>Income Range</u>	<u>Infant</u>	<u>1 Year Old</u>	<u>Toddler</u>	<u>Preschool/PreK</u>
\$0-\$20,000	\$1176	\$844	\$844	\$653
